

Klein HOSA Community Service Agreement

HOSA (Health Occupations Students of America) is an organization whose mission is to “empower HOSA-Future Health Professionals to become leaders in the global health community through education, collaboration and experience.”

The HOSA Chapter at Klein High School prides itself on upholding this mission through various health-science related activities. A huge part of Klein HOSA’s impact on our local area is done through volunteering and community service. As a HOSA member, it is very important to serve as a representative figure and leader of HOSA and Klein High School. Demonstrating the Klein 5 values of Empathy, Gratitude, Integrity, Perseverance, and Service, as well as maintaining a positive attitude, is expected of all student volunteers. Community service is a **privilege** in which we encourage all members to participate. This means that **once you sign up YOU are EXPECTED to attend. Failure to show will result in not being allowed to attend any future community service events. On the day of the event, YOU must arrive on time to the event and be picked up / leave on time. The event coordinators are relying on YOUR help.** At the event, students are expected to follow directions and be actively participating. Sign-Up Genius links will be posted at 6:45 AM on Schoology, the Monday before the event to reserve your spot.

I, _____ (parent/guardian name), have read the important information above concerning my student volunteering through Klein HOSA. I understand that failure to comply with these rules may result in my student not being allowed to participate in future community service opportunities.
